

Partition

```
graph BT; MBR[MBR] -.->|mbr_partitions| Partition[Partition]
```

A diagram illustrating the relationship between a Master Boot Record (MBR) and a Partition. The MBR is represented by a gray rectangular box at the bottom, and the Partition is represented by a white rectangular box at the top. A dashed purple arrow points from the MBR to the Partition, with the label 'mbr\_partitions' positioned to the right of the arrow.
